SAINT JOHN'S CATHEDRAL CHOIR SCHOOL

For children and youth, Saint John's Cathedral Choir School provides instruction in music theory, performance and history through a structured program affiliated with the Royal School of Church Music (RSCM). There are significant opportunities for meeting challenges in a loving, team-oriented environment and the privilege and responsibility of leading God's praises in public worship. Those who achieve higher levels in the RSCM music study program also receive a stipend for their services in the choir.

For more information about our choirs and choir school, please visit our website, www.sjcathedral.org, and click on "Music".

SUSTAINING MUSIC

The Saint Cecilia Music Guild is a volunteer group of members and friends of Saint John's Cathedral who give time, talent and treasure to support and enhance Saint John's music program. These contributions significantly help to make it possible for our musicians, as well as visiting musicians, to offer music of the highest quality. To learn how to become involved, please visit our website or contact the Music Department at 303-577-7717.

CHARITABLE CONTRIBUTIONS

Joining the Friends of Music at any level is an enjoyable way to demonstrate your support for the Cathedral's music. Your support helps to sustain the Music Program by providing such enhancements as brass or timpani accompaniment, the purchase of musical scores and anthems, support of our professional choristers, and the maintenance of the historic Platt Rogers Memorial Organ. Most importantly, you will have the satisfaction of knowing that you have helped promote fine musical performances among new audiences.

For a list of specific sponsorship opportunities, please visit our website, www.sjcathedral.org, and click on "Music." To discuss supporting the Music Program, please contact Stephen Tappe, Organist and Director of Music, at 303-577-7726 or tappe@sjcathedral.org.

Parking

General and handicapped parking is available in front of the Cathedral's Welcome Center at 1350 Washington Street. Additional general parking is located north of 14th Avenue behind Argonaut Liquors with entrances on Washington and Clarkson Streets. Street parking is also available on the blocks around the Cathedral.

Seating

Cathedral seating is on cushioned wood pews. Most pews seat either seven or eight persons comfortably. All of the entrances to the Cathedral are wheelchair-accessible, but the most convenient is located at the southwest corner of the Cathedral, adjacent to the handicap parking section. Wheelchair seating is usually next to pews along the outside aisles. The doors open 30 minutes prior to the concert, unless otherwise indicated.

Will Call

Reserved tickets may be collected at tables in the Narthex or in Memorial Hall on the night of the concert. Ushers will direct you.
