YOUR SUPPORT MAKES A DIFFERENCE!**

Joining the Friends of Music at any level is an enjoyable way to demonstrate your support for the Cathedral's concert series. Ticket prices for concerts are kept low to provide wide access to Denver's music lovers. Your support helps to sustain the Music Program by providing such enhancements as brass or timpani accompaniment, purchase of musical scores and anthems, the support of our professional choristers, and the maintenance of the historic 1938 Kimball Organ. Most importantly, you will have the satisfaction of knowing that you have helped promote fine musical performances among new audiences.
